Massage Add-ons

Castor Oil Heat Pack

Castor oil is a great way to boost massage therapy benefits. It helps break up unwanted scar tissue and adhesion in the muscles faster than what can be done by hand. It is also a great way to draw out toxins from the muscles.

Paraffin Treatments

Paraffin is a warm wax used on hands, feet or elbows to help sore, arthritic joints & repetitive use injuries. Also helps to remove dry dead skin & leave it incredibly soft with its nourishing oils.
